Hi!

Welcome to the Girl Scout Cookie Sale Program! It is the largest girl-run business in the world. Why is the Cookie Sale Program important? Why should your daughter participate? Let me tell you why.

It is important for your daughter. It teaches her lifelong skills.

She learns about hard work, setting a goal, and working towards it to blow past it!

She learns about working with others as part of a team to meet their group goal.

She gains confidence by asking people she does not know to buy cookies from her.

She learns to look people in the eye and say thank you even when someone does not make a purchase.

She learns to be a better citizen by using cookie sale proceeds to give back to the community and make a difference in your hometown.

It is important for your troop. Troops use the proceeds to fund their programming. For many girls, Girl Scouts provides them with their first travel experiences – to a new community, to a new state, and to new countries! One of our Girl Scout troops from Morgantown planned a trip to Greece! Think about those girls and what they have learned about making a decision as a group, setting a goal, and working together to make the trip of a lifetime come true! Without the Girl Scout Cookie Sale Program, these invaluable life lessons may not have been achieved.

It is important for your community. Troops also use their proceeds to make a difference right there at home by using proceeds to fund community service projects. Girls decide what projects they want to tackle and they work to make our world a better place! These are some of the ways our girls have helped their own communities and communities around the world:

- Cooked for the homeless shelter
- Made chemotherapy comfort kits
- Stuffed stockings for soldiers
- Made blankets for the children's hospital
- Walked dogs and collected supplies for local animal shelters

Last year, Black Diamond girls provided thousands of hours of community service. Without the Girl Scout Cookie Program, the proceeds to complete these projects would not have been available and the lessons would not have been learned.

By supporting your daughter during the Girl Scout Cookie Program, you make all of these things possible. I look forward to seeing all the amazing things that our girls do as a result of the success of their individual cookie sales.

Sincerely,
