

# Give the gift of Girl Scouting!

Dear Girl Scout Family Members:

As a Girl Scout growing up, Girl Scouting provided me with the opportunity to try new things, discover the world we live in and gain confidence as a young girl. Now, as the Black Diamond Council CEO, I have the opportunity to watch as Girl Scouts continues to provide these same experiences to today's girls, each and every day.

Unfortunately, not everyone who wants to experience Girl Scouts is able. With your help, together we can provide the Girl Scout experience to more girls; together we can give them the opportunity to discover, connect and take action in their communities; together we can build girls of courage, confidence and character who will make the world a better place.

Join me and invest in today's girls.

Yours in Girl Scouting,

*Beth Casey*

# Your gift can change lives

We need donors like you who are willing to help make Girl Scouting possible for young ladies in our council. Once the national membership fee of \$25 is paid, Girl Scouts of Black Diamond Council invests over \$400 a girl to ensure that she has a great experience. For many girls, this can be life-changing!

Your financial assistance gift helps cover membership fees, background checks for volunteers and new Troop Leader Toolkits - all things that ensure our girls have the best Girl Scout Leadership Experience possible.

## Change her life.♥

Meet Desiree Gunther. Desiree has been a Girl Scout since kindergarten and recently graduated from high school. She is a Gold Award Girl Scout, earning the highest award in Girl Scouting.

Because of donors like you, Desiree has had the opportunity in Girl Scouts to travel, including taking trips to Niagara Falls and Savannah. She says that she would have never had those opportunities without Girl Scouts. Just imagine seeing the majestic site of the Falls and feeling the water against your face!

Desiree continues to give back to Girl Scouts now as an intern, helping plan ways to get more girls into the outdoors. With your help, more girls can have a life-changing Girl Scout experience like Desiree's.

Give now and give girls in your local community the opportunity to create their own Girl Scout experience!

We are so grateful that the girl in your life is a Girl Scout!
