

100% Volunteer Staffed

Summer day camps provide thousands of girls a safe environment where they are able to challenge themselves, meet and learn from many people, and just relax and be themselves. However, day camps could not happen without the support and dedication of adult volunteers who are very much like you. If you are interested in donating some of your time to help provide a fulfilling program for girls, contact the day camp director. Give some of your time to a worthy cause. You get so much in return! You can help make this day camp a success!

We anticipate a need for at least 25 adult volunteers. If we do not meet the required girl:adult ratio by the registration deadline, May 24, 2019 we will have to cancel camp.

A tag-a-long unit will be formed if needed for volunteers. Tagalongs include children ages 3-12. Children must be potty trained. There will be a \$20 fee per child for those who volunteer the entire week to cover programming costs. If you volunteer for less than the whole week, there is a fee of \$4 per day per child. Camp T-shirts may be purchased for tag-a-longs.

To ensure that we have a fun, educational and safe Day Camp, all volunteers will be required to be registered, have a back ground check and attend a small training. You will be contacted about the date and time.

All school-aged girls must be a registered Girl Scout. Non-Members will need to pay an additional \$25 to cover the cost of membership. **New this year**--non-member girls that have not previously been a registered Girl Scout member, and would like to be part of a Girl Scout troop next year may purchase a membership to cover the rest of the summer, plus the upcoming year for the discounted price of \$35!
