

Think Like an Engineer Journey

Meeting Framework: 6 meetings, 90 minutes each

General Sequence	Meeting 1	Meeting 2	Meeting 3	Meeting 4	Meeting 5	Meeting 6
Welcome	As Everyone Arrives: Engineering Innovations (10 min)	As Everyone Arrives: Community Problems (10 min)	As Everyone Arrives: Branch Out & Explore the Issues (10 min)	As Everyone Arrives: Investigate with Zero Draft (10 min)	As Everyone Arrives: Get Ready to Take Action! (10 min)	As Everyone Arrives: Prepare for the Celebration! (10 min)
Program Activity	Opening Ceremony: Technology & Innovation (15 min)	Opening Ceremony: Define "Community" for the Take Action Project (15 min)	Opening Ceremony: Identify the Problem for Our Take Action Project (15 min)	Opening Ceremony: Plan to Take Action (15 min)	Opening Ceremony: Review Our Plan to Take Action (15 min)	Opening Ceremony: Welcome! (15 min)
Social Activity	Design Challenge: Harmless Holder (55 min)	Opening Ceremony: Define "Community" for the Take Action Project (55 min)	Design Challenge: Assistive Device (55 min)	Design Our Take Action Project (55 min)	Create Our Take Action Project (55 min)	Take Action Project Presentation & Awards Ceremony (55 min)
Closing	Closing Ceremony: Design a Better World for Others (10 min)	Closing Ceremony: Evaluate Our Results (10 min)	Closing Ceremony: Solve Problems with Design Thinking (10 min)	Closing Ceremony: Why Is This Important? (10 min)	Closing Ceremony: Plan to Celebrate! (10 min)	Closing Ceremony and Survey (20 min)
